cost, and the interaction between spell slots and forms. Newcomers typically default to the first available beast, only to discover that their chosen shape cannot climb, swim, or fit through tight corridors—a mismatch that stalls progress in tight dungeons. Additionally, the game’s turn-based system penalizes indecision. Switching forms mid-turn consumes the entire action, forcing players to either plan ahead or forfeit valuable attacks. This creates a recurring problem: players either avoid Wild Shape altogether or use it sub-optimally, leaving the party’s damage output uneven.
